BRADY SHORT GOES WIRE TO WIRE IN EXCITING SPRINT CAR FEATURE
CUMMINGS, LEX, CLARK VICTORIOUS IN RESPECTIVE CLASSES

BLOOMINGTON, Ind. – Four classes of racing thundered onto the high banks at Bloomington Speedway and delivered an adrenaline pumping night of action on Friday, August 12. The evening marked the start of the homestretch for each class's quest for a Bloomington Speedway Track Championship.

The event included the Grimes Pools & Spas Sprint Cars, the Tire and Wheel Center UMP Super Stocks, the O'Neal Wood Products UMP Modifieds and the Chad's Towing and Recovery Hornets.

Former Bloomington Speedway Track Champion Brady Short, of Bedford Ind., leapt into the lead of the Grimes Pools and Spas Sprint Car feature race and never looked back. The lead pack was a scramble behind Short as several drivers went wheel to wheel and three wide for position. Coming out of the pack, Bobby Stines, of Martinsville Ind., rode the high line around the red clay oval with veteran sprinter Jerry Coons Jr., of Tucson Ariz., and gave chase to Short. Also in the fray, Brent Beauchamp, of Indianapolis Ind., was able to lay claim to the second position in the waning laps. Coons Jr. and Beauchamp stood on their accelerators but could only watch as a dominant Short cruised to victory lane.

Brad Cummings, of Bedford Ind., started on the pole of the Tire and Wheel Center UMP Super Stock feature race and dropped the hammer on the field. Cummings jumped out front and left a pack of five cars to battle for the second position. Steve Hollars, of Bloomington Ind., Jack Frye, of Bloomington Ind., Steve Peeden, of Paragon Ind., Troy Clark, of North Vernon Ind., and Jeremy Hines, of Seymour Ind., went side by side for much of the race. As the laps ticked away, cars began to fade and only Hines was left to challenge Cummings. The two fought furiously to the line and Cummings took the win by a single car length.

The fight for the win in the O'Neal Wood Products UMP Modified feature was a three car battle from the start as Richie Lex, of Morgantown Ind., Clint DeMoss, of Bloomington Ind., and Matt Boknecht, of Seymour Ind., went wheel to wheel. The three drivers took their fight through numerous bouts of lapped traffic, often drawing close together at the line. In the end, Lex was able to hold off a charging DeMoss to take home the twin checkered flags.

AJ Clark, of North Vernon Ind., started in the second row of the Chad's Towing and Recovery Hornets feature race and worked his way to the front in the early goings of the event. Clark opened up a big lead on the field and looked to have smooth sailing to victory lane. However, a late race caution set up a single lap dash for the podium between Clark, Jeremy Smith, Bloomington Ind., Matt Jacobs, of Bloomington Ind., and Cole Miles, of Bloomington Ind. Miles had charged up the field from the seventh row to join the leaders. On the restart, Clark would not be denied as he motored to his first feature win at Bloomington Speedway.
