CHASE BRISCOE COMES OUT ON TOP IN HOTLY CONTESTED SPRINT FEATURE
HOWE, COMBS, CLARK ALSO VISIT VICTORY LANE

BLOOMINGTON, Ind. – Each of Bloomington Speedway's exciting classes of racing thundered into the quarter-mile oval and fought furiously for valuable championship points on Friday, August 26. The adrenaline pumping night of action was the penultimate event of the season.

The evening featured the Grimes Pools & Spas Sprint Cars, the Tire and Wheel Center UMP Super Stocks, the O'Neal Wood Products UMP Modifieds and the Chad's Towing and Recovery Hornets.

Young Chase Briscoe, of Mitchell Ind., started on the pole of the Grimes Pools and Spas Sprint Car feature and stuck to the bottom of the red clay oval as veteran Jerry Coons Jr, of Tucson Ariz., pedaled around the top of the track. The two tangled for several laps before Coons was able to slip into the lead. Just after the halfway point, Hunter Schuerenberg, of Sikeston Mo., began to charge forward from deep in the field and force a three way battle for the lead. With only five laps remaining, Coons jumped the cushion and dropped from first to worst. Briscoe then found himself in the top spot and was able to hold off Schuerenberg for his first career Bloomington Speedway feature win.

Travis Howe, of Mitchell Ind., started on the front row of the Tire and Wheel Center UMP Super Stock feature race and immediately entered into an intense duel with Brad Cummings, of Bedford Ind. The two fought furiously lap after lap and quickly separated themselves from the field. Behind the leaders, battles raged for position throughout the field. Steve Peeden, of Paragon Ind., methodically worked his way through traffic while confidently riding the outside line. On a late race restart, Peeden joined the fray at the front with the ultra-fast Howe and Cummings. Howe refused to cede position however and was able to go wire to wire for the win.

Chad Combs, of Bloomington Ind., sliced his way to the front in the early goings of the O'Neal Wood Products UMP Modified feature race. While at the front, Combs was forced to battle wheel to wheel with Clint DeMoss, of Bloomington Ind., through multiple caution periods. In what was the modified class' final night for points, the field tangled and tempers flared as every position meant valuable points. Combs began stretch his lead over the field in the waning laps of the event and picked up his first win while DeMoss secured his second straight track championship.

In a Chad's Towing and Recovery Hornet feature race that showcased three wide and door handle to door handle racing, A.J. Clark, of North Vernon Ind., worked his way from the back of the pack up to the front. Once up front, Clark fought with Josh Settles, of Coatsville Ind., and Jeremy Smith, of Bloomington Ind. On the final restart, Clark was able to go around Settles for the win. Smith came away with the championship.

The next night of racing at Bloomington Speedway is the season finale on Friday, September 16. It is Indiana Stoneworks Night and it features the Midwest Sprint Car Series as well as the Tire and Wheel Center UMP Super Stocks. Gates open at 5:30 p.m., hot laps start at 6:30 p.m. with racing getting under way at 7:30 p.m. General admission tickets are \$20 with children 12 and under FREE with a paying adult.
